### What is the 2017 Summer Reading Program all about?

"Build a Better World" is the theme for the 2017 Summer Reading Program. The program is sponsored by the Friends of the Hartford Library and the First National Bank of Hartford. The program encourages recreational reading and library usage. The library offers four program levels: a Little Readers for babies ages 0-2 years, a Read-to-Me section for non-readers and those beginning to read, an Independent Reading Program for those able to read on their own through grade 5, and a Teen Reading Program for grades 6-12.

School-aged children and teens are encouraged to have a library card of their own, and can be obtained by filling out an application at the Library (parent must be present and sign the application). All children may receive a library card at no charge. Children must be at least 5-years-old to have their own library card. All library cards are valid at libraries in the Monarch Library System, which is made up of libraries in Washington, Dodge, Ozaukee, and Sheboygan counties.

Registration for the reading program begins Monday, June 5 and continues throughout the summer. Upon registration, each child will receive a reading log for recording reading during the summer. For Little Readers, every book read earns them a prize drawing ticket. For every 5 titles logged into the Read-to-Me log, earn a ticket for a special prize drawings held throughout the summer. Children may select which prize to put their tickets toward. For every 60 minutes read, children in the Independent Reading Program will receive a ticket to put toward different prizes. Teens will earn prizes and tickets to put toward prizes for every 100 pages they read. The program ends with a special celebratory party on Saturday, August 5.

Throughout the summer, there are a ton of activities including performers, crafts, storytimes, and movies for youth of all ages.

Questions may be answered and further information obtained by stopping by the Jack Russell Memorial Library at 100 Park Avenue in Hartford or by calling 262-673-8240. The Jack Russell Memorial Library invites you to join us and help "Build a Better World" through literacy, education, and fun!

# Summer Teen Battle of the Books (B.O.B.) 2017

## Important Dates

**Information Meeting:**  
Tuesday, June 13 at 2 p.m.

**Information Meeting:**  
Monday, June 19 at 4 p.m.

**Final Competition:**  
Tuesday, July 25 at 2 p.m.  
Location: Community  
Room at the Jack Russell  
Memorial Library

The Jack Russell Memorial Library is hosting a B.O.B. program for teens! Anyone entering grades 6th-12th may participate in the Summer B.O.B. Program.

### How does it work?

Participants will be split into teams (4-8 people). Teams will be decided by both the Youth Services Librarian and the teen participants. Teams will compete against each other answering questions about B.O.B. books. For example, a question may state, "Which book has a character that finds out he is the son of Poseidon?" The team would answer, "The Lightning Thief by Rick Riordan." Questions about all of the books will be asked and will range in difficulty. Teams gain points for every answer they have right. In the end, whichever team has the most points wins!

Winners will receive a certificate and win a small prize.

Also, Participants will be asked to attend 1-2 meetings throughout the summer. Meetings are not mandatory, but offer participants a chance to learn more about the program, meet with team members, and get any questions they may have about the program answered.

Before beginning the program, all participants and their parents must sign a permission slip and return it to the Youth Services Librarian. This will ensure that both participants and their parents have received a copy of how the program works, what the rules are, and what books are on the list!

## Things to Keep in Mind

-To ensure the library has copies for B.O.B. participants, we will hold all Summer B.O.B. books behind the Youth Desk. Just stop at the desk and ask to see the Summer B.O.B. books to check one out!

-You do not have to read all the books on the list. You're part of a team, so you can always split up the books between your team members.

-Reading B.O.B. books do count toward your personal Summer Reading!
